NagTech Items

Wireless Transmitter/Receiver Set (After 1900, modified to carry voice as well as cod. Also plays and records messages on wax cylinders.; Quality: Fair; Glitches: Garbles message; Transmits to unintended party; Transmission reflected (you hear yourself); Substitutes random message)
 Spy Camera Obscura (Miniaturized Daguerreotypic emulsification device; Quality: Fair; Glitches: Spy camera is obvious while functioning; Gets stuck in "out" position; Captures distorted image; Photographs the photographer)
 Parasol Parachute (Acts as parachute for short falls; Quality: Fair; Glitches: Catches updraft and carries one indefinitely; Turns inside out; Spins while descending, incapacitating user due to dizziness)
